Charter Coach Requirements

All charter coach companies used to transport students to and from school related academic, athletic, or extra-curricular events shall provide the following information to the District at least prior to the transportation of students: 1) proof of insurance; 2) full name of the driver assigned to transport students on the day of the event; 3) driver's license number and state of issuance of assigned driver; 4) Illinois file number for non-Illinois assigned drivers; 5) date of event. Every driver shall hold a valid and properly classified commercial driver's license. No driver shall drive a charter bus to transport District students unless and until the above information has been provided to the District.

Additionally, all drivers prior to providing transportation for District students must be in compliance with all applicable State laws including Section 10-20.21a of the Illinois School Code.
