Accidents

All accidents happening on school property or during school activities should be reported to the building principal or his/her designee as soon as possible. The Superintendent shall develop rules which will help reduce the chance for accidents. The Superintendent shall develop procedures for caring for a child who has suffered an accident, ranging from those requiring simple cleansing to those for which professional assistance is required. For all but minor accidents, the student's parent/guardian shall be contacted as soon as possible.
