

## **Community Relations**

### **Parental Involvement**

In order to assure collaborative relationships between students' families and the District, and to enable parents/guardians to become active partners in their children's education, the Superintendent shall:

1. Keep parents/guardians thoroughly informed about their child's school and education.
2. Encourage parents/guardians to be involved in their child's school and education.
3. Establish effective two-way communication between parents/guardians and the District.
4. Seek input from parents/guardians on significant school-related issues.
5. Inform parents/guardians on how they can assist their children's learning.
6. Maintain a support system for student learning through school and family partnerships.
7. Provide in-service training opportunities for administrators and teachers to enable them to work more effectively in collaboration with parents.
8. Seek commitment for parental and family support among schools, communities, business, organizations and government.
9. Enhance supportive networks of linkages and services among families, schools, school districts, and communities.

The Superintendent shall periodically report to the Board of Education on the implementation of this policy.
