Re: Technology Plan Approval
Date of Approval: 03/21/2013

Dear Alex Trakas:

Brookwood SD 167 (070161670020000) submitted a District Technology Plan (DTP) to ISBE on 03/21/2013. This technology plan has been approved and covers the period starting on July 1, 2013 and ending on June 30, 2016.* You will find a link to the PDF version of the Peer Review Response Form on your district roadmap at <http://iirc.niu.edu>. Please review this form carefully to ensure that comments and suggestions are addressed prior to or during the annual review of your plan.

This document certifies that the approved technology plan meets the requirements set forth by the Schools and Libraries Division of the Universal Service Administrative Company for the E-Rate program. If you have questions, please contact me at 217/782-5589 or by e-mail at jawalsh@isbe.net

Sincerely,

A handwritten signature in cursive script, appearing to read "James Walsh".

James Walsh
Principal Consultant
Illinois State Board of Education

*Notice to eligible e-Rate applicants: Plans containing E-Rateable activities for one or two phases will only receive approval for equal number of years. All applicants and service providers are required to retain documents related to the Universal Service Fund for a period of at least five (5) years from the last date of service. The suggested list of documents to be retained can be found in Paragraphs 45-50 in the FCC's 5th Report and Order (FCC 04-190)
