

Meeting Schedule for the 2015-2016 School Year for Brookwood Jr. High School

We all share in the commitment of increasing student achievement. We all serve important roles that affect student achievement. We must work collaboratively to create plans responsive to our students' needs. The plans we make for our students will be based on data and best practices. In order to achieve our goal we must have time to meet as teams. Below is a schedule for the important meetings scheduled for this year:
